October 6, 1968

Dr. James B. Rhoads
Archivist of the United States
National Archives and Records Service
Washington, D. C. 20408

Dear Dr. Rhoads:

I should like to be able to examine the autopsy photographs of Lee Harvey Oswald described as in three packages, one containing five rolls of 35-mm. film, another containing three rolls, and the third containing one roll.

If I should want copies of one or more of these frames of film, would that be possible a) for study without publication or b) for publication.

Sincerely yours,

Harold Weisberg
